

ONLINE IR EVENT FOR LAMORO - VIECHTACH 26-27 FEBRUARY

LAMORO Development Agency, as a project partner, participated online at the IR Event held in Viechtach February 26-27 for ADCAPGOODGOV, part of INTERREG EUROPE 2021-2027 PROGRAMME.

The meeting gave LAMORO the opportunity to reconnect with our project partners, even if virtually, and discuss the central topic of the meeting: administrative capacity and the human resources component.

During the event, best practices, successful examples, and strategies were presented by the partners with the aim of capacity building and improving administrative capacity.

The LAMORO Development Agency held an online Stakeholder Group Meeting by involving stakeholders - Piedmont Region regarding the ADCAP4GOODGOV project financed by the Interreg EUROPE 2021-2027 program.

The focus was on the **accreditation system and its significant impact on the work of accredited bodies** - direct protagonists of the system, that were involved in 4 focus groups previously organized to gather feedback based on their experiences with the accreditation system.

2025.**

The LAMORO Development Agency on **March 27, 2025** held an online Stakeholder Group Meeting by involving stakeholders - Piemonte Region and accredited bodies on the accreditation system and on its importance.

The stakeholders were invited to attend the final meeting, where the findings from the focus groups conducted with accredited entities were presented. During the meeting, the materials collected and the key insights were shared with participants from both the Piedmont Region and the accredited bodies.
